

Learning Together to Achieve our Best
Stonesfield Primary School

PE and Sports Grant 2016-2017 Expenditure and Impact Report

The PE and Sports Grant is an element of school funding aimed to improve the provision of PE and sport for all primary-aged pupils so that they can develop healthy lifestyles. The government has been providing funding of 150 million per annum since 2013/2014 to provide new and substantial primary school sport funding. The funding is jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children.

Each school receives £8,000 plus an extra £5 per pupil each year for the next two years – at Stonesfield Primary School that will mean £8555. This money can only be spent on sport and PE provision in schools.

Schools are required to demonstrate that the funding impacts on:

1. Achievement in weekly PE lessons
2. Participation in competitive school sport
3. Personal health and well-being
4. Attitudes and behaviour towards learning

Below is a summary of how we spent this funding in 2016-17 to support our pupils' learning.

Purpose	Amount allocated	impact on learning outcomes
Access to CPD/partnership events within the Woodstock Partnership Employ quality assured sports coaches/teachers to work alongside teachers in lessons to increase their subject knowledge and confidence in PE Chance to shine – cricket package	£2,100 per academic year	Shared good practice resulting in more confident and competent staff and improved quality of teaching and learning in PE.
